

palace of culture

i drive there in carriage karooca ca ca palace of versailles gold built now thread in tiny
finger comes out belly button now little mozart i play now la la la la la enter little door
now of palace of king of ants tiny door now to feel better bit better bitte now oh help help
in mighty almighty might said book book beak speak in me now i hold on said knock on
now measure line i put in a a a oh paint with gold paint grow day by day to day one at a
build built to build up make up city dream world now film in film tiny screen in my
private built of stick card now tiny wand wave a king of ants march tiny marks wave
script letter i pretend to write i built me up scratch scratch from start i begin now i only
start i make words i have to make whirly twirly i have to draw line to lead me i have to
do like i do i do doo doo herei make wordy hurdy gurdy i make mouth o o o o o o o o o o
open up round door way way speak to i speak eek eek eek o o o o o o o o o o in theatre of
king theatre out of gold paints in a door i go into door now and in inside now nice n warm
this wakes me does do send line to me a switch to turn on my tiny lights brights not so
sleepy wake me up this is what i have to have had have to have had to have to get to me
said hold me hold on that had to had said gold thread n thread make bridge said flow little
rivers when i say what i say now lit up lit said lights n brights big building in warsaw
now palace of culture kultura where i went n go what happens now to me more awake
now lovbe lovely belovedly what i like me what i feel like what i like me middle square in
warsaw underground railway in moscow i shine chandelier beam me lit me i'm in love
now that's how i'd like to that's how i'd like to feel like this like this here exactly yes yes
yes oh yes now this does me i connect now said a on am in n on now pin in centre town
now i make me i wake me awake me said was sleepy so sleepy but i wake me it makes
me happy i'll make you happy baby just wait and and and see for every kiss you give me
i'll give you three you know that i'll that i'll adore you i have been waiting waiting for you
this is talk talk to me n some body to make body to make to talk to to ring me to talk to
me and other said another who now i don't know me said police tower to find to find
some body to love now somebody someone to someone to love somebody please said
words now not so lone lone alone now i make games now rebus said that n that i work it
now work me out here said picture what said palace of palace hotel lang lang palace in
my house now palace of beauty this is me talk to me here criss cross honeycomb lines
now i built up page me page me page ania now to call me i call n call i turn to stone every
time your'e gone i turn to then i come to now lively up here lively clear n clear neat n tidy
i enter this begins early i get into cupboard now i make this up to me it's not true or really
i just lie to me castle keep n keeper i lie n lie n make up story diary in enter tiny hole now
inside me i jolly jelly queen bee hop in hive n hide now in underground metro moscow
made of marble n crystal chandelier crystal shiny black piano play now focus me to get
me all together now play n sing now la la la la la la la la la la i wear black n white here
miss compose me air house paper lit light n bright n on now la la la la la la la la la la
i'm on in now on now fold out now come out hid hidey hole now bright n shiny stage a
stage i tap dance now la la la la la la la la la la i lit light bright lit flame now set fire on
fire
