ANIA WALWICZ

she sings me a sing me a lullabye mum does sin g a sing for me now
sing me lull lella lulla byes goo song to clam dell to lull me lol do
song me in my mouth in my voice she her hers that die she sings me
baby on dark stations singing me to sweetly near me sing me to fall
away all times my times you be sleepy now you just fly away a fall
falling ways away i'm in dark mum say sleepy sings me in soft voice
say warm to her warm put me to her put me near to my chest in
her breast a sing song now in her in her dark mum say i'm swim in
her adark cavern a station frightens we arewaiting and wait for so
bodyto come next to my bag pack a rack insack o sing me now lella
lulla lulls a bye baby now's byes singing her to death to my death in
bye a bye worlds in dark stations come along on my far away trains
they took her sing my hum hums a hum hummmmmm sing me now
i can hear in ear drum tells my head to come you remember me now
in one spot inmy brain sing songs are i store away shesang me then
a lullabye now you rock me ways in back that's how it was that's how
come here i come out a tunnel a dark tunnel i was being born into
my cry in light room in earth in my mouth says songs come i open
my chest tear my rib cage away she is come out in i'm give birth song
come sings come she sings me mum sings me now i'm push push i'll
sing you to rock me asleepy you get in my then come in into my head
a tune that what said me to play a piano keys in turn you remember
me now i come ini know keys in i am come back to my sing song mum
she does did do me now a song for my onelulla lella amother for my
mother in sings me in dark for stations come we wait scared i'm
scaredy in cold dark i'm get you all alone to me then do sing to tell
songs for her in worlds in dark worlds mum sings she sang me to tell
for one how is worlds in dark worlds for wait for her to come where
are you she is dead will you send me aletter or a telegram will you
tell me now where i now am send me your address your telegram
number i just can't my believe it's all untrue to me it alal lies to me
it's all untrue then tell me it isn't so tell me that she comes back does
do here in my words say mum sings me she sang me and i sing to tell
me i sing a lullabye for baby for my baby abby her me she sings me
in my head is where centre at what songs said they kept in one store

to keep all songs in me a centre where songs are in one place in my
brain bairn barn a re song store man in my brain is song centre in where
it come a mother for my mother that's what i'm now am i am coming
back she is come back to me then i wait for her some one that with
that she is far away gone that she is living with a lady that with she
is with a grand piano she is learning to play a grand piano she is living
with my dark dark man we ask for return she is reluctant to please
return my letters call mymummy for mum mamusia droga droga
mamo mama my manna nan she says have you got another money
to me in a fist on a telephone waving her hands you drift drift i will
bring you my doona forme abig fluffy doona swells a swollenthe a very
hot hand for her he says we lost her now didn't want to live they take
her away my baby in cots lays too much on its face oh to rescue a
toolate she sings me in me now she sang me then a soft warm mother
make me a one a towel for you to hold me sucky my thumbs mother
sings me songin my mouth are teeth one hurts there was a root a canal
i was to come through a certificate of birth legitymacja rada that i am
to be born now but not yet still in dark stations in her she was my
frighten they said she said bad things about stalin they interrogate her
bright lights while i am at my swimming in her stomach she is in kick
a kick tum kicks where's big tum she's your stomach aches you must
get rid of that my brother said bratek bright flowers say in red roses
not togive born i'm in slid but not through they pull out my head bloody
my hair too long for her was too dark abby ebb dark skin for her a
brune brunette i'm on your stumbles pour outs words singing herto
her death of mine own a still borne some thing i was already for months
too pregnant she just imagines at he wants to go with my nanny my
big tum i'll just swell my baby abby she just wants me too much for
someone says through me she is saying mymum bad tooth in my mouth
hurts i have to take out what don't you fix me all up with probbing
a needle in mouth she sings me a talk say through me now some
one saying she said when i was too frighten i will sing you a fast
do song for me this on stumble out just throws me you open your legs
and push me all out my head comes out in my blood yelling that's
not what i was after that what i planned or wanted this isn't what i'm
say at all she is doing me now my mum talk does that's she is singing
what i'm remember for too short or too long nine months to have a
grow my baby at first i was all shock now she comes out of me what
does you just waits why did you just do she is singing my lulla lullabye
for baby why don't you go in order too much to rush all but i'm can't
keep me all in shesings me to me than song words come out she

said i was hearing rings rings or what waltzes i wasn't able to stop or help my words all rush out who do you talk i'm her in ever church they are cak calling what do you know that seeing they watch over she over my shoulder your dead with a black suit on her father sallow skins and she saw her next to me in a cafe a short little person apparently happy to be with me here she was sitting next to me in a spirit photo she is singing to me now she is writing this down you talk her through my trance mouth singing away mama mamusia mausia mama mummy sings me that there was a king she said sang that there was a king there was a king once there was a king now there was a king once there was a princess and a page there was a king there was a king once there was a king there was a king there was a king there was a king there was a princess there was a page boy too they lived among hills on hills on hilly on hilltop tops they lived on peaks she sings me lulla lella rubs me there was a king page princess with they lived in hilly and oh so happy they knew no storms or any they were always happy of that i'm very very sure there was aprincess and a king they lived in hilly hilly hilly on top mountains at she sang me that there was a king a king there was a princess princess there was a page boy page they lived in hilly hilly on top oh hills in hilly country at they were so very happy silly she sings me a song sing me that a lullabye for baby she sings me song there was a king there was a king once there was a princess a king princess his queen or was she i am becoming the wife of dad who do you want to go with to comfort that she is gone all gone now and not gone away not gone away ever you must remember that and remember her then she is in me saying that singing that saying that i'm in very big professor office with gum trees out windows it's all too long ago and now all begin from my start how i am beginning your born on nineteenth of may i was begun in october in polish autumn rainy dark fence in backyard she always gets into my bad mood how you feeling that she sang me when i was all scaredy there's lurking and that she sang me you hugs me to big breasts you have what what she sings me now please hug me then i'll hug what i didn't do her wasn't huggy then were you oh let me in her perfume of dusky musky a dy dusky musk dark skin in oily olive your black curly her pink almond nails never paint her in red that is butcher lady said don't you do me too much she sang sen in a dream my dream there was a king once there was a king there was a king once there was a page boy a page they lived among my hilly on top of the world they did they lived among the hill hilltops they did live they lived up on hilly hilly they did the queen on hilly the king the page boy did
